SUMMER FUN, FAITH and FOOD in the PARK

The retreat ended up being held at the Acosta's home due to the inclement weather. It was amazing how quickly the volunteers adapted to the change of location and made it work. With special thanks to Br. Robert Alvarado for being able to think of an ice breaker suitable indoors plus the wonderful water balloons game and Our Lady Undoer of Knots game for the afternoon with Br. Vilchis. Our Blessed Mother, under the title Our Lady of Guadalupe, came to bless all of us. We understand now why the rain continued. She wanted to come to a home. Thank you Mother! Thank you Sr. Emily Calis for making it possible for the traveling image to come. We sincerely appreciate the uplifting talks of Fr. Farrell and Fr. Peffley together with the availability of the sacraments of Penance & Holy Eucharist. What a joy to have Eucharistic Adoration and Holy Sacrifice of the Mass! To God be the glory! The Mission Barbeque lunch provided by Acostas was outstanding.

2021 T.E.A.M. RETREAT

INFLAMING THE FAITH AMONG TEENS

Blessed be God for a very successful teenage retreat in spite of the park being too soggy to hold the retreat there. The retreat was held at St. Mary of Sorrows Farrell Hall and St. Joseph Hall. We are so thankful for the inspiring talks from our priests, Fr. Peter McShurley and Fr. John Melmer who also heard Confessions and celebrated the Holy Sacrifice of the Mass. Some kids had not gone to Confession for a while. It was a perfect time to reconcile them with God. Our volunteers were so engaging, creative, and playful while teaching the truth about our Catholic Faith. They were all amazing! The Legion of Mary is so blessed to have young and young at heart, devoted, faithful legionaries who are so flexible and always ready for a challenge in the service of our Heavenly Queen. Let us pray that we have better weather next year. This is our Centennial Year! Thanks be to God!

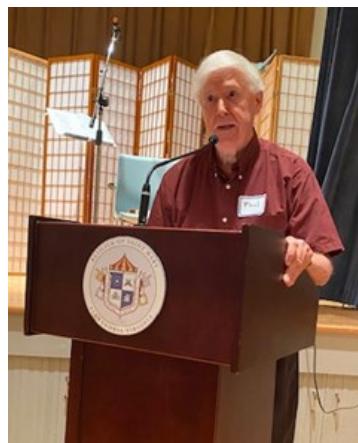

Ninth Annual Priests' Appreciation

2021 Dinner and Talent Show

We sincerely appreciate Fr. Ed Hathaway who welcomed us to have the event held at the Lyceum on September 11th. We thank the eight priests, one deacon and 64 legionaries who came to express their thanks for the devotion of our priests to our weekly meetings and spiritual direction. The talents displayed by the priests and legionaries were entertaining and enjoyable! There was an amazing amount of delicious food brought by the legionaries. We came to enjoy being together, having fun, and thanking God after a year in "quarantine" to have a chance to celebrate! We are so grateful to our Heavenly Queen for her protection and all of our blessings !

If you haven't picked up a copy of Seggy's book, *Diabolical or Psychological*, it is still available for \$20, and proceeds will go to Holy Trinity Jubilee Park. The book is also available at Xlibris.com, Amazon.com or Barnes & Nobel in hardcover or paperback.

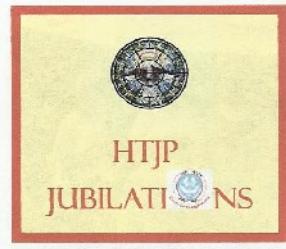

Exorcists have written books with scary narratives detailing multiple examples of demonic activities. Sometimes they also explain how this happens and how one can diagnose the activities. However, there have been no books and no manuals by a mental health clinician or a doctor that explain the phenomenon from a scientific perspective and how it should be treated. Dr. Acosta's book, **DIABOLICAL OR PSYCHOLOGICAL**, is such a resource manual that interested persons, mental health professionals, physicians, especially psychiatrists, nurses, the clergy and persons involved in pastoral care, will find very helpful. Most importantly, it will be welcomed by those vexed by Satan and his demons, for it will empower people in the position to help with the knowledge of how to handle the situation and provide proper care, rather than backing away out of fear or ignorance. A comprehensive guide to discerning the psychological and the spiritual elements of psychiatric disease and possession has long been missing from religious and mental health literature – this book serves as just such a guide.

New Board Members Needed!

As many of our present board members are now in our "Golden Years"

We are looking for new, young people to pickup the reins and continue the progress we have made at HTJP. The work is fun, rewarding, and will bring many graces and a stronger faith as you connect with so many other faithful Catholics and their families.
